Terms of Use

Thank you for purchasing my teaching resource!

I aim to provide quality content for high school science teachers. If you have any questions, find any mistakes, or have any comments, please email me at

mrs.bethany.lau@gmail.com. Customer satisfaction is very important to me!

By purchasing my teaching resource, you are allowed to make copies for your classes only. You may not copy for other teachers or distribute my resource in any way. Please refer them to my [TPT store](#) and encourage them to purchase their own copy, or you can purchase a half price extra license using your TPT account for them!

You may not post any file from my resource on the internet or your own website, as this allows others to google search it and download it for free, instead of paying me for my hard work. Please contact me if you have an exceptional circumstance and would like to ask permission to post one of my files somewhere unique.

If you like my resource, please check out my store for other related and similar resources!

Also, please make sure you leave feedback, because you get TPT store credits for future purchases in my store or any other store on [TeachersPayTeachers.com](https://www.teacherspayteachers.com)!
